Citizens Bank of WV Supports Relay for Life

Elkins, WV – Citizens Bank of West Virginia presented a \$1000 check to the American Cancer Society Randolph County Relay for Life in support of the annual summer event that raises funds for cancer research and programs.

Citizens Bank has been a longtime supporter of the Relay for Life event through both corporate sponsorships and team participation. “Many of our own employees and their family members, as well as our customers, have been touched by cancer, so supporting the work of the American Cancer Society is

important to us,” said Thomas K. Derbyshire, President & CEO. “All of our employees support our bank team as they work on raising funds for several months leading up to the relay event with special luncheons, giveaways and other workplace events.”

Planning is underway for the 2016 Relay for Life event scheduled for June 4 at the Elkins Town Square. The Relay for Life moment unites communities across the globe to celebrate people who have battled cancer, remember loved ones lost, and take action to finish the fight once and for all.
