Citizens Bank of West Virginia President & CEO Thomas K. Derbyshire presents Elkins YMCA Executive Director Sid Gillespie with a \$5,000 donation toward the pool renovation project.

The YMCA has been on a campaign to raise \$500,000 needed to make necessary repairs to the pool roof and wear and tear on the facility due to humidity and age. The bank's donation edges the pledges and donations to date just at the half million dollar mark!

Bank president Tom Derbyshire said the donation is what Citizens believes in doing for its community. "We are pleased to make this financial gift to the pool project and continue our long-standing relationship with the YMCA where citizens of Randolph County can go to fulfill healthy lifestyles and wellness. We know many families benefit from the programs and services offered at our Y."

The bank is a YMCA corporate partner and provides memberships to their 65 employees and board members.

"The Elkins YMCA thanks Citizens Bank for their generous contribution to the pool renovation project – a positive investment in the community," stated Sid Gillespie, YMCA Executive Director. "Our Y is grateful for the bank's continued investment in the youth and residents we serve each day."
